The Chief Secretary to the
Government of Mysore.

SIR,

With reference to the Proceedings of the Government of Mysore No. 7651-3 / 27.246-92 dated 3rd December 1892, I have the honor to forward herewith copy of docket No. 923 dated 2nd Instant with its enclosures in original from the Deputy Commissioner, Mysore, and to state that the cost of the sanctioned scale of Police Establishment of Seringapatam and Ganjam Towns is Rs. 2616 per annum while that of the existing strength is Rs. 2068-8-0. The present establishment falls short of the sanctioned scale by Rs. 547 8-0 per annum. The Assistant Superintendent of Police, French Rocks and the Amildar of Seringapatam both state that the present strength of the Seringapatam and Ganjam Town Police is insufficient and that the same should be raised to its full complement. I am also of this opinion and beg to recommend that the establishment may be brought up to the sanctioned strength. Early sanction is solicited.

2. With regard to the refund of Rs. 8640, claimed by the Municipality, the Deputy Commissioner Mysore states that the claim is a valid one, the same being for the amount paid in excess of the actual charges incurred for the Town Police &c.

not see any objection to the excess amount being refunded to the Municipality

I have the honor to be
Sir
Your most obedient Servant.

With reference to his No. 1651/193 dated 13th December last, and subsequent reminders, calling for opinion on the subject of refund of savings under the Police charges of Seringapatam Town to the Municipality and certain information regarding the Police establishment, has the honor to submit herewith for information docket No. 523 together with its enclosures received from the Assistant Superintendent of Police, French Rocks, forwarding a statement shewing the details of sanctioned and existing strength of the Town Police establishment and stating that the cause of nonentertainment of the full complement sanctioned is not forthcoming

In the Budget estimates of Seringapatam Municipality for the last 3 or 4 years show that the whole amount allotted therein for Police charges viz Rs. 2616/- under estimates was also debited under actuals for expenditure every year. It may be inferred from this that the whole of the Budget allotment for the Police charges is transferred to Government from the Municipality The claim for the refund of the unexpended amount out of the Budget allotment under this head preferred by the Municipality, appears therefore to be valid

The Superintendent of Police

Sir

I beg to appoint hereto a statement showing the Police force sanctioned for the Srirangapatana & Ganjam Municipality by the late Chief Commissioner & the one at present maintained. The cause of maintaining a smaller force than the sanctioned one is not known to me.

At present no distinction is observed between the Town & Taluk Police in point of promotion, pay &c. Out of present staff of the Town Police, two Constables are appointed to Pashchimavahini, which is no part of the Municipal Town.

The Town Contains more than 10,000 population of different nationality and numerous Streets of different sizes. The present Town Police is quite inadequate for the efficient night patrolling & other duties.

I therefore consider that the full
